

My Emergency Doctor allows you to connect with a specialist emergency doctor, after hours.

FREE
SERVICE*

My Emergency Doctor is a telehealth service providing access to an emergency specialist for acute medical conditions when a person's usual doctor isn't available and they're not sure if they need to go to an emergency department. Residents of small communities in East Gippsland can access the service after hours* at no cost.

or call 1800 577 401.**

When to call

When you or someone you know experiences unexpected symptoms, feels acutely unwell or suffers from an injury, it can be difficult to know where to get help after hours. If you experience any of the following conditions, connect to **My Emergency Doctor** for immediate care:

Abdominal pain	Acute injury	Concussion
Fainting	Fever	Headache
Head injury	Rash	Vomiting

If the patient is unconscious, has chest pain, difficulty breathing, uncontrolled bleeding or has been in a major accident, please dial 000.

Are you eligible for free access?
